Dear Parent/Carer,

RE: Homework Club

Here at Crookhorn College, we fully appreciate the challenges that exist for parents/carers in supporting children with completing their homework. Often it may be linked to providing a quiet place to study or access to the internet.

For these reasons, I am pleased to inform you that Homework Club is available for your child after College in the library from 3.10-4.00pm, Monday to Friday. We believe that this is an excellent opportunity for your child to complete homework tasks using College resources including our computing facilities.

As a College, we feel that this will be a real benefit for students and that it will give them the opportunity to complete work in safe and supportive environment. We strongly encourage your support in having your son/daughter attend on a regular basis if he/she is having a difficult time getting homework completed or is confused about a particular subject. These sessions are always staffed so students can get support.

Please do continue to support us in helping your child reach his/her full potential by ensuring that all homework is completed on time.

Yours sincerely

Mr J Collins
Deputy Headteacher
