

Dear Parent/Guardian

On **Friday 26th May 2017** we will be holding a “Community Action Day”. Students are invited to pay £1 for the opportunity to wear **sensible, casual clothes**. This clothing might well follow a theme that their house has chosen. Please be aware that students are not permitted to wear crop tops.

Each house will also be arranging some extra activities for break or lunch time. If you would like to find out more about the projects, why they were chosen and how you can be involved, please contact your child’s Head of House in the first instance.

Whilst I am on the theme of fundraising and sponsorship, if any of our parents and readers own or work for a company which would like to help with sponsorship in return for some advertising, please contact Mrs Tuff at the College.

Yours sincerely

Mrs S Bennett
Headteacher
