

November 2017

Dear Parent/Guardian

**Year 8 Options Process 2018**

We have today started the process linked to the options for your child. All Year 8 students have been issued with a subject guide, which has key information about the option subjects that are available.

They also have a form to complete, to give an early indication of which subjects they would potentially like to continue to study in Year 9. The deadline for this form to be returned is Friday 8<sup>th</sup> December 2017. The initial choices of students will be used to inform the next part of the options process, which will be explained at the Options Evening for parents on 24<sup>th</sup> January 2018. We would expect that all parents attend this evening as your support in ensuring that your child makes the right choices at this stage is vital.

It has been stressed with students today that if they wish to change their mind about the subjects they have identified in this first part of the process, they will be able to do so, before they commit to their final choices. More information will be made available about the process to parents at the meeting in January.

If you have any questions at this stage please contact either Mr Potts or Mrs Duncan at the College.

Yours sincerely

Mrs S Bennett  
Headteacher
