

February 2018

Dear Parent/Guardian

Student Progress Review – Wednesday 14th March 2018
Individual Student/Parent Consultation Sessions

As you are aware, the College suspends lessons for the day during the autumn and spring terms so that tutors can meet with students and discuss academic progress in each of their different subjects, and plan targets that will help them go on and achieve their potential. This process is called Student Progress Review and with the changes that have occurred nationally to do with assessment, it is a vital part of a student's development, heightening their awareness of their learning strengths and weaknesses.

We are very keen for you as parents to attend the 'Student Progress Review' meeting this March, so you can be fully briefed on your child's progress, and also be a part of prioritising the personal targets for your child, for the next term.

Can you please ensure that your child agrees an appointment time with their tutor during the course of the day (between 8.30am and 6.00pm) that you can also make.

We look forward to seeing you and for your active involvement and support in your child's educational academic and personal progress. Please return the reply slip to indicate that you have received this letter and whether your child will require a College meal.

Yours sincerely

Mrs S Bennett
Headteacher

(Please return reply slip to your Form Tutor)

Student Progress Review - Wednesday 14th March 2018

Individual Student/Parent Consultation Sessions

A packed lunch can be provided for students in receipt of Free School Meals.
(Please tick if required)
