

Parent Teacher Association

Our PTA includes parents of both past and present students, as well as representatives from the College staff. The aim of the association is to support the students and staff in any way we can. This includes the provision of funding for student equipment and activities. We also provide much needed refreshments at College events and presentations. Previous purchases for College use include:

- Funding towards student reward trips such as Playzone or Cinema
- A computer linked weather station for the geography team
- Video editing software
- Equipment for Duke of Edinburgh Award scheme
- Radio Microphones for College productions
- Funds towards a Student Incentive Scheme "Passport for Success" – paying for prom ticket
- Funding towards the student year book

We hold a Quiz Evening two or three times a year, and other events which are all open to the local community. Our Race Nights have been very successful and prove very popular. We try to keep all events low cost to allow for a cheap, but fun night out. We also meet socially at a local hostelry attending their quiz evening, both for a bit of fun and to get ideas for our own quiz!

We are always very keen to welcome new members to the association; indeed we need more members who have children in years 7, 8 & 9. This could be simply as an occasional helper in serving refreshments at parent's evenings, up to serving on our committee which involves attending a monthly committee meeting; any offer of help, large or small will be much appreciated. Another simple way to help is to donate old, good quality uniform e.g. blazers/ties/ jumpers/football boots etc., which the PTA will sell to raise funds for the College, or donations of raffle prizes for the various events we hold. Any donation, however small, is very gratefully received.

If you are interested in finding out more about us, please get in contact by either contacting the College or emailing us through the College website. We are also available to speak to at Open Evening, Parent's Evenings and other major College events. Alternatively, if you leave your name at the College Reception, a member of the PTA team will get back to you.
