

# Year 11 Final revision planner

## What's it all about?

When you get this booklet you will have a very short time left at Crookhorn and it is imperative that this time is used wisely to prepare for your exams. Your formal lesson timetable continues up to the afternoon of the 13th of June. From the 13th of June after the Leavers' Assembly, study leave starts and students are expected to attend their revision sessions and exams only.

This Revision Planner is essential in the organisation of your lessons and revision sessions up to and during your exams. After the 10th of May, many of your normal lessons will be replaced with key revision sessions for particular subjects, just prior to the exam for that subject.

The revision sessions ARE NOT voluntary and you are expected to attend each and every one both before the start of study leave and afterwards (from the 13.6.17).

**You are expected to wear full college uniform at all times.**

## Using this booklet

The booklet includes two sections:

Section A: a timetable of all the exams

Section B: a revision session and exam planner. This section is absolutely key- so you know when you have a revision session in place of your usual timetabled lessons, with whom and where.

That only leaves us to wish you all the best of luck for your examinations. We know with all the hard work you have and will put in, you will get the results you deserve.
